Reply to Final Office Action of March 17, 2009 and Request for Continued Examination

This response is in reply to the final office action of March 17, 2009, issued in regard to U.S. Patent Application No. 10/628,082 (the "subject application"). A request for continued examination accompanies this response. Applicants do not believe this response requires an extension of time since this response is filed within three months of the last office action. However, Applicants conditionally petition for any additional extensions of time that may be necessary to provide for the possibility that the need for such a petition has been inadvertently overlooked. As provided below, please charge any required fees or credit any overpayments to Deposit Account No. 50-2324.

Applicants appreciate the Examiner's thorough examination of the subject application and request reexamination and reconsideration of the subject application in view of the following:
